Summary: He thought it was over, that his own twin sister had done things to keep him to herself as she claimed. He thought he was going to die. But luckily for him, it was all a dream, and Madoka, who snapped him out of his nightmare, comforts him the best way she can. One-Shot! A.U. Rated M for heavy OOC'ness and adult content.

It Was Just A Dream

(Ichika's POV)

Cold.

Very cold.

This was the feeling that I was starting to feel as I regained consciousness.

As I woke up, he noticed that I was in a very unfamiliar room.

"_Where am I? And how did I get in there?" I wondered as I tried to look for a way out. Which I seemingly did._

However, when I reached that door, it was locked in.

"_Shit, I've been locked in! What do I do now?" I tried to come up with a way to unlock his seemingly only way out as he noticed that there were no windows._

_As I began wondering around this empty place, I stumbled upon a piece of paper, it turned out that it had a message. _

It read as it follows:

**If you're reading this:**

_**I have kidnapped you. And you may wonder, why? Because I love you. I love you. I love you so much I needed to have you all to myself. I REFUSE TO LET ANYONE GAZE THEIR DISGUSTING EYES UPON YOU. You belong to me, and only me. **__**I cannot stand to watch you be with everyone else but me.**_

**BUT THAT'S OKAY, BECAUSE WE WILL ALWAYS, ALWAYS BE TOGETHER FROM NOW ON, RIGHT?**

â€|_**NO MATTER WHAT HAPPENS, WE WILL ALWAYS BE TOGETHER, FOREVER! BECAUSE YOU'RE MINE, AND MINE ALONE!**_

**LET'S DO LOTS OF MEMORIES TOGETHER, JUST THE TWO OF US!**

**HUGS AND KISSES**

**xoxoxoxoxo**

"_**Your cute little sister, Madoka!**_"

At that moment, I froze in terror. It seems as though, she did it this time.'

'_But why? __That can't be right, there's no way she would do this.' I thought._ _But then again, this could be just a bad dream, or someone was pretending to be her._

"_Oh no, it is not a dream, it's real." A voice spoke, in a rather soft tone._

"_Who's there?" I asked, while getting stiff, also wondering how did this person read my thoughts._

"_Oh, still as clueless as ever, but that's what I love about you, fufufufu!"_

"_What to you mean?"_

"_sigh* I guess it's no use trying to hide it?" The silhouette reached towards me, and as I saw her face, my face paled in fear, as the person standing before meâ€|._

It was her after all.

I refused to believe it was her. But it definitely wasâ€|

"_Mâ€|Maâ€| Madoka?" I stammered as I didn't want to believe what he was seeing._

"_Awww, you recognized me!" Madoka then suddenly tackled me into a big hug. It was not a hug that meant 'I will kill you by destroying your organs from the inside', but more like 'I wanted to hold you for so long.' _

_I tried to break free, but somehow, I couldn't. Instead, it

triggered Madoka to further tighten up the hug, which felt like a submission hold to me._

"_Iâ€¦ can'tâ€¦ breatheâ€¦.." I barely spoke._

As she heard me struggling, she released the hold.

"_Areâ€¦ youâ€¦ tryingâ€¦ to kill meâ€¦." I said in between breaths as I was panting._

"_Sorry, I got carried awayâ€¦" She said sheepishly._

"_More importantly, why am I here?" I asked as I regained composure._

"_Well, I kidnapped you." She answered with a cute grin._

'_Dammit, she's cuteâ€¦. What the hell am I thinking? She's my sister.' I stopped my thoughts as he spoke._

"_But what reason did you have to kidnap me?"_

"_I wanted to claim my nii-san, and once I did that, I would never let you go. I've been sick and tired of watching from afar, so I took a few steps to have you with me, so I could give you lots of love just like a twin sister would do to her twin brother." She finished with a loving smile._

"_Iâ€¦ I don't knowâ€¦ what to sayâ€¦ umâ€¦." She shushed me as I was speaking_

"_It's okay, I know you're shy about your feelings" She winked at me._

"_Madoka, you're my cute little sister, but Iâ€¦" I tried to finish my sentence, but I was in a predicament._

"_But what?" She is waiting for my answer._

"_Iâ€¦ Iâ€¦ I just can't see you as a woman." I had to say it. Once way or another_

Truth be told, I held some feelings for her as well, but at the same time, I had to put them aside because it just felt wrong to me.

"â€¦" _Her expression became serious._

There was brief silenceâ€¦.

"_fufufufufufufuâ€¦| HAHAAHAHAHAHAHAHAHAH" She chuckled, then laughed like a madman (well, a madwoman in this case.)_

'_I need to run away' So I followed my instincts, and ran away._

"_NO, YOU'RE NOT GETTING AWAY FROM ME!" I heard her screaming, and next thing I knew, she injected something in my neck. Damn, it hurt a lot._

"_AAAAHHHH.. What the hellâ€¦| did youâ€¦|" I couldn't finished as I collapsed._

"_I'm sorry nii-chan, I didn't really wanted to do this, but you left me no choice. You will stay with me, even if I have to force you."_

That was all I heard as I blacked out.

><p>[A few hours later]_

I regained consciousness, although I still felt groggy.

'_What happened? I feel so weak.' I thought as I started to notice my surroundings._

This time around, it was no longer an empty white room. It was a normal bedroom, and I wondered who's bedroom is this.

'_Man, I need to get up'. I tried to get himself up, but I noticed something. _

"_What theâ€¦| Why am I tied up, and more importantly, WHY AM I NAKED?" I asked myself as I had both my arms and legs tied up in a bed, while I was also naked._

"_So you finally woke up." It was Madoka who spoke. Unlike earlier wearing some sort of combat suit, she had a simple black kimono._

"_Madoka, what in the hell is the meaning of this?"_

"_Fufufufufu, I just thought since you hurt me, and on top of that, you denied your own feelings towards me, I would have to make you understand."_

"_Understand what?"_

"_I love you, and I will not let anyone else have you." Madoka put it simply._

She reached closer to me.

"_To tell you the truth, all I wanted was to have my brother all to myself. Because ever since the start, I had always loved you so much

I couldn't bear it. I've been waiting for this moment ever since we were born, and it was worth it, because here we are, together, just the two of us. Nii-chan, you're mine, and what's moreâ€¦ you'll stay mine from now on. Let's make lots of memories, just the two of us."

—

Madoka finished her statement with a scary yandere smile. She then got closer to me, and feeling the tension as it is, she could not take it anymore and she engaged me in a deep kiss, by forcefully shoving her tongue into my throat in a display of complete dominance.

I couldn't do anything, I was practically defenseless, and weak as well. Kissing her was not helping in the situation. Speaking of the kiss, I could feel that she was kissing with lots of passion, hunger, and love.

I tried not to kiss back, but it was hard for me to resist as I was getting some of the taste her lips had. It was blueberry, she always knew I liked blueberry, as it was my sweet weakness. But I also noticed there was something weird, as if there was some sort of drink coming out of her mouth to mine.

The kiss lasted for a solid minute. Madoka pulled away, leaving a strand of saliva between both mw and her. I felt numb, as if I was losing any further strength.

"_Whatâ€¦ did you doâ€¦ to me?" I asked terrified, and while struggling._

"_I placed a vitality drug in your mouth."_

"â€¦_you.. WHAT?" I asked terrified._

"_Don't worry, I'll take good care of you." She whispered to me as she reached my bottom where she witnessed my erect cock. I couldn't really help it, and what's more. The damn drug took effect._

"_Ah! Amazing. Oh, nii-chan, you must have saved up" She looked at it with glee._

She then began to stroke it gently, giving me a sensitive feeling as she was teasing my cock.

"_Ahh, pâ€¦pleaseâ€¦stopâ€¦" I pleaded weakly as I felt the teasing.

—

"_No, this is just the beginning, of making many memories between us." She said in a seductive voice._

"_P... please, this is wrongâ€¦ we're siblingsâ€¦" I tried to reason with Madoka, but she just ignored mw and kept stroking it, this time increasing the pacing._

Then, I felt something warm, and wet around my cock, and I saw her giving me a blowjob.

"_Aghâ€¦ pleaseâ€¦ stopâ€¦ this is badâ€¦" She ignored me again, as she kept going_

My breathing became heavier as I was coming closer to a climax.

"_Madokaâ€|. Stopâ€| I am going toâ€|" She stopped momentarily_

"_It's okay nii-chan, let it all out in my mouth." She said, and then she continued._

I couldn't take it anymore, and released my seed. My breath became erratically heavier than before, my spine was tingling from the orgasm I just had from Madoka's blowjob. My face went red from embarrassment and fear.

"_fufufufufu, you let out so much white stuff all over my face and mouth. And it also made me wet." Madoka teased me as she playfully drank some of my cum. "Who'd knew you'd taste this good!"_

'_I can't believe she did this to me.' I thought in self-hatred since I was tied up and forced against my will. Unfortunately, things didn't end there._

"_I hope you're ready nii-chan." She said as she began undressing herself. Revealing a rather nice petite figure for her size, and while she may not have the biggest breast size, she had a decent B cup size._

"_Readyâ€| for what?" I asked suspiciously, already knowing the answer._

"_What else? To lose your virginityâ€|" She answered simply.

_

"_WAIT A MINUTE, PLEASE DON'T DO IT, THINK ABOUT THIS!" I snapped in fear, for I was about to be raped._

"_I made up my mind a long time ago, and I reallyâ€| really want to do this."_

"_NOO PLEASE!" I screamed as he kept struggling to free myself._

"_Here I come" Madoka lined herself up and engulfed my cock, making me (involuntarily) moan in pleasure as I felt the velvety insides of Madoka's pussy._

"_We finally became one, nii-chan" Madoka was happy as she and I lost our virginity._

_I didn't know what to think. I was getting raped, and it didn't help that I was tied up. I was too scared to move and there was not much I could do at this point. _

"_There we go" Madoka breathed a little. "It did hurt a little, but that's okay. I am going to move, just relax, I'll do everything." She started off by slowly and steadily move up and down._

"_Aaaaahhhhhh, this is amazing, it feels good" Madoka was definitely enjoying herself as she kept moving her hips against me._

"_PLEASE, MAKE IT STOOOP!" I pleaded as if my life was going to end._

"_No can do *ahh* nii-chan, *ahh* after we made it this far *ahh* there is no turning back"_

"_Madoka, aarrghhh, I'm getting close toâ€¦!" I tried his best not to finish off. I was definitely unexperienced when it came to sex, and it didn't help that I was having sex with Madoka. _

"_*moan* me too, nii-chan, let's do it together." Madoka said to me as she was also close to finish off as well. Causing her to bounce harder and faster, wrapping her arms in a tight hug _

"_I'mâ€¦ about to cumâ€¦ pull it out!" I desperately begged her._

"_Noâ€¦ cum inside me... I don't mindâ€¦ if it's youâ€¦" Madoka whispered as she was about to finish._

"_I- I can't hold it i- in any longer!"_

We achieved their climax together, making me shiver violently from the orgasm. Madoka let out a throaty moan as she collapsed on top of my chest, both of us breathing heavily. Madoka felt her stomach filled with my seed.

"_I DID IT! I DID IT! I HAD SEX WITH NII-SAN!" Madoka shouted as she finally did what she wanted with me._

'_OH NO! THIS FEELS WRONG! I CAN'T BELIEVE MADOKA RAPED ME!' I thought as I was breaking into tears._

"_That was amazing, nii-san. I'm glad I saved my virginity for you!" Madoka said, as she was planting a loving kiss in my cheek, and was wrapping my body in a tight hug._

Suddenly, it all turned dark, momentarily. As I wondered what was going on.

Then, she came back, but she had a katana in her hand.

"_Don't worry, I had planned for the both of us to die after sex."_

"_WHAT THE HELL!" I shouted "AAH! SOMEBODY HELP!"_

"_No one can hear you, my beloved nii-chan! Fufufufu." She chuckled "Don't worry, it won't hurt for long. And after I kill you, I'll kill myself as well" She said as she planted kissed me once again._

"_We'll see each other in the afterlife" She readied her weapon._

I was expecting the hit, but I kept hearing a voice calling me out, while also feeling my body being shaken by a ghost.

><p>OUTSIDE OF ICHIKA'S DREAM

"Nii-chan! Nii-chan, please wake up!" I heard a familiar as I felt her shaking me, then I snapped my eyes open. The lights were on

It was her again, but unlike what I saw, she was concerned, I could see it in her eyes.

"Madoka?" I could barely speak.

"Nii-chan, are you all right?" Madoka asked me, she didn't change her expression.

"Iâ€| I'm fineâ€| don't worry aboutâ€|.." I was interrupted.

"You're not okay, I can tell something's wrong. Your breathing was erratic and I saw you almost crying. Please tell me what happened!" Madoka said to me, when she is stubborn, I can't do anything to change her mind.

"Iâ€| had a horrible dreamâ€|." I said to her.

"And? What did you see?" She asked me.

"I have seen thingsâ€|"

"Such as?" She won't give up, will she?

Well, I had no choice but to tell her everything. So I told her everything. Me awakening in an isolated place, with only one door. A note. Then her showing up and revealing her intentions. Me running away, her knocking me unconscious. Then, waking up in a different room, tied up and naked (I noticed her blush, but I kept going.), then she came into the picture once again, and raped me on the spot. After that, there was a brief darkness, and then she showed up once again, with a katana, ready to kill me. Hadn't she awaken me up, I

would have suffered a worse trauma than just rape, death.

She had been quiet, and quite honestly, I know it's hard to take in.

"You must think I'm pathetic" I spoke with tears in my eyes. I expected her to slap me, and call me names.

But instead, I got a bone-crushing hug.

"No, I don't think you're pathetic. I know you felt scared. It's all right, it's all a dream." Madoka kept her hug on me. "I would never do such things like this to you. I'd kill myself if ever did something that would hurt you, and make you hate me." Her voice was breaking, as I felt some tears from her. "I will always protect you, just like you always do to me, and I will never hurt you in any way. I love you nii-chan. And I won't force you into anything you don't want to do." She finished.

I felt a huge weight lifting up my shoulders as I heard Madoka. I felt safe with her.

And the next thing we knew. We locked ourselves in a kiss.

Not a forceful kiss, but a consensual one. And unlike what I experienced in that dream, it felt really good.

Our kiss lasted for a full minute, before pulling out gently, leaving a strand of saliva between us.

"I'm sorry Madoka, I got carried away and" She placed her index finger in my lips in a shush manner.

"It's okay nii-chan, we both wanted this." Madoka reassured with a smile of her own. She looked adorable. She then looked at the clock, it was 3:09 A.M "I think we should go to sleep, but I am sleeping with you tonight." Madoka said in an as-a-matter-of-fact manner. "That way, I can assure you that you'll be safe with me, okay?" She winked at me.

"Thank you, Madoka-chan." I replied as I gave her a smile of my own.

I made some space so that Madoka could fit in the bed, and she did.

She then turned off the lights

"Good night, Madoka-chan."

"Good night, nii-chan"

We gave ourselves a quick kiss in the lips, as we slept under each other's warm embrace.

And since then, I haven't had that dream anymore. As I knew I felt safe with Madoka, at my side.

><p>AND THAT IS ALL FOR THE MOMENT

****The previous attempt known as "You Belong To Me" was originally meant as a One-shot only. And because I got a rather good reception on it. I wanted to make a new chapter for it, but unfortunately, I could not do it, and hence why, it's discontinued, or on indefinite hiatus. So, to make up for that, I decided to do an alternative route where it is all the torment was a dream, and some fluffy twincest between Ichika and Madoka. (Because I am a huge twincest supporter!)****

****Well, take it easy guys.****
